CX20-L2S3 2 Light Group + 3 Scene Smart CCT Dimmer Switch

The CX20-L2S3 Smart CCT Dimmer Switch is a powerful all-in-one solution for advanced lighting control. It allows you to independently manage two dimmable lighting groups with precise brightness and color temperature tuning, while three scene buttons enable instant activation of personalized lighting environments. Designed for seamless integration with all major smart platforms, this stylish and functional switch brings both sophistication and flexibility to your connected space.
