

CX30-L2S3 2 Light Group + 3 Scene Smart CCT Dimmer Switch

The CX30-L2S3 Smart CCT Dimmer Switch offers precise control over two lighting groups with both dimming and color temperature (CCT) adjustment. It also includes three scene controls for activating custom lighting setups instantly. Engineered for smart environments, it supports broad connectivity standards and is compatible with leading voice assistants, making it an essential tool for layered lighting and smart ambiance.
