

## CX31U-F1L1S2 1 Fan + 1 Light + 2 Scene Smart Fan Switch

The CX31U-F1L1S2 Smart Fan Switch brings together functionality and personalization by offering dual device control and two scene keys. Users can independently manage a light and a fan while quickly switching to preset scenes like "Movie Mode" or "Relaxation." Designed for sleek integration and effortless smart automation, this switch fits perfectly into any contemporary environment.
